

dear frog,

i was delited to git you're letter. I never git male so when i got your leter it was very specil. I thot that i should right you back at once becasue we know how slow snail is when he delivers the male.

Since you left my house! I have finished reading the book you lent to me i found it to be most intersting. You were write when you said that it wood make me cry. The ending was very sade.

I will end my leter know, but I hope to here from you agin soon. Take care frog?

Your freind,

Toad
