

POST TOUR

Writing Frame

Read: *If You're Not from the Prairie* by Dave Bouchard. This story has a pattern ... If you're not from the prairies then you don't know sunsets (or other things that make the prairies special).

Read this story. After you have read the story, brainstorm a list of ideas about Saskatoon that make it special. (For example: If you're not from Saskatoon then you don't know bridges, castles (The Delta Bessborough), rivers). Think about what would have made Saskatoon special then (when first settled) and now (early 2000's). Include some illustrations of special Saskatoon buildings or places.
